Hey Todd,

Attached is the complaint with him and his lawyer named. In your SOW, can you make sure to keep it general enough so that the research remains discreet from a discovery perspective?

Let me know when you think you have a due date in mind so I can relay it up.

Thanks,
 Mat

 Please provide the details when available, and I will get back to you
 immediately.

 a very easy way to undertake individual projects. Once we have the
 details on this project, I will complete that form and submit as well.
